It started with a book...

“Our students are taught to value learning, aspire to excellence and to think critically. They leave Alphington Grammar with the skills to thrive and succeed in a world beyond school.”

Dr Vivianne Nikou,
Principal

Growing Alphington

For 30 years, Alphington Grammar School has been providing exemplary education and care to generations of families from Early Learning Years through to VCE and then pathways to University and beyond.

The time has come for Alphington to write a new chapter for its future and provide a new legacy for generations to come.

Our bold new vision for Alphington Grammar School is underpinned by new areas of learning, enhanced curriculum offerings and facilities that will continue to deliver quality education for generations to come.

“The only thing that you absolutely have to know, is the location of the library”

Albert Einstein

Be Part of our Future

“At Alphington Grammar, we provide our students with experiences and opportunities that will prepare them for the changing nature of life, learning and work.

With your help we can continue to provide an exemplary and inspiring education that encourages our young men and women to aspire to excellence and become the talented leaders of tomorrow.”

Dr Marinis Pirpiris,
Chairman of School Council

About the Foundation

Founded in our anniversary year 2019, the Alphington Grammar School Foundation is an initiative specifically created to support major projects in providing excellent learning environments for our students.

While fees and grants pay for the school's operational costs, the Foundation assists with larger transformational projects. Together we can make an extraordinary impact.

All current families, past parents, alumnae, past and present staff, friends of Alphington and suppliers are invited to provide a lasting legacy to scholarly endeavours for generations of students.
